

Meeting called to order by Debbie Grice at 1:05 pm.

**Quorum was not achieved.**

Those present introduced themselves. (37) We are testing the polycom for participants to call-in through the Avaya Aura Conferencing system, enabling them to be a part of the meeting.

**National Prevention Week: May 17-23**

- An event calendar was circulated so events to be held during National Prevention Week could be shared and posted on the KPFP website. If interested in collaborating with anyone, indicate on the event calendar. KPFP as a group would like to encourage everyone to get involved in National Prevention Week in one of the following topics:
  - Sunday, May 17<sup>th</sup> Prevention and Cessation of Tobacco Use
  - Monday, May 18<sup>th</sup> Prevention of Underage Drinking
  - Tuesday, May 19<sup>th</sup> Prevention of Prescription Drug Abuse & Marijuana Use
  - Wednesday, May 20<sup>th</sup> Prevention of Alcohol Abuse
  - Thursday, May 21<sup>st</sup> Prevention of Suicide
  - Friday, May 22<sup>nd</sup> Promotion of Mental Health
- Resolution draft was also circulated for suggestions. This will go before the Board of Supervisors either the week before or the week of May 17<sup>th</sup>.

**KPFP Website Resource List and Questionnaire**

- A questionnaire will be emailed to individuals. KPFP needs to understand what each others' programs offer so we can be collaborating. The information gathered from the programs will be posted on the KPFP website. The questionnaire highlights the 7 Priority Areas of the National Prevention Strategy so organizations can say what all they do in those prevention areas, including the program's general information. Julie has made some improvements to the KPFP website creating 3 different categories for Member Shares: Community Events, Professional Opportunities and Prevention Tools.

**Member Presentations:**

- *Taylor Clanton from KCAO* shared **Network for a Healthy California Findings**, about a KCAO project, CX<sup>3</sup>. This is Communities of Excellence, Nutrition, Physical Activity, and Obesity Prevention, collecting data and assessing the data to help build healthier communities. *Distributed handouts:* Assessment surveys and summary of the surveys being done within the communities of Avenal, Corcoran, Central Hanford and Home Garden.
- *Karla Cruz, CHC* shared a presentation about **CA PREP** (California Personal Responsibility Education Program), which is a teen pregnancy prevention program in Kings County.

**Strategic Planning Focus – Expert Meetings Presentation:**

Julie has been conducting the expert meetings. Strategic Planning meeting was held in September.

- *An overview of the priorities set in each of the seven meetings*
  1. **Tobacco Free Living:** Strategic Planning Priorities were read by Darcy Pickens. Public employees in local governments can't really lobby for certain items. KPFP is the perfect body to share & relate to support a policy.
  2. **Preventing Drug Abuse & Excessive Alcohol Use:** Strategic Planning Priorities were read by Crystal Hernandez. How can we work on this in a tangible way in Kings County? No further comments.
  3. **Healthy Eating:** Strategic Planning Priorities were read by Fedieson Landicho. No comments.
  4. **Active Living:** Strategic Planning Priorities were by read by Scott Waite. No comments.

5. **Injury & Violence Free Living:** Strategic Planning Priorities were read by Debbie Grice. Comments included:
- JAG grant required to be multi-agencies, both community based organizations and public agencies collaboration. Health department was awarded \$250,000 a year for the next 3 years. Public Health will provide Preconception healthcare based curriculum using 3 different sets of curriculum to educate ages 10-18 working with Juvenile, Probation, resource officers. This is taking a step forward.
  - Medication drop boxes & Sharps containers kiosk are available throughout the County. Just in the first few months, there has been over 1500 lbs. of meds dropped off into the containers. It has been very successful.
  - Several organizations are developing an educational curriculum focusing on teen dating violence with a trial run scheduled in Juvenile Hall that will be covering legal issues, activity dealing with 10 different behaviors, good or bad involved in a dating relationship for teens, STD education found in rape, and a video, along with open discussion among the teens.
6. **Reproductive and Sexual Health:** Strategic Planning Priorities were read by Shelley Griffith. Some comments were contributed.
7. **Mental & Emotional Well-being:** Strategic Planning Priorities were read by Andrew Cromwell. No comments.

**A look into the trends between all categories – Common themes were a priority in at least 2 areas.**

- Add the #1 from Tobacco Free Living to the other 5 common themes.
  - *Enhance collaboration through KPFP to bring increased education and awareness on tobacco issues to youth, parents, providers, and leadership.*
  - Common themes: the wording may not be exactly the same, but the concept was the same.
    - #1 theme came up frequently – the need for mentors came up in all the groups;
    - #2 theme occurred in Active Living and Healthy Eating – wellness initiatives for local businesses and healthy retail;
    - #3 theme - educating younger students (especially regarding healthy relationships) came up in Injury & Violence Free Living & Reproductive Sexual Health;
    - #4 theme - collaborating with Providers came up in the last 3 – Injury & Violence Free Living; Reproductive and Sexual Health, and Mental & Emotional Well-being;
    - #5 theme - Parental involvement came up a lot.
  - Trends in the targeted audiences (with an explanation of the scoring process) was also discussed. Parents were overall the first audience targeted, youth were right behind.

**A discussion followed on the Strategic Planning Priorities and chosen themes.**

**Roundtable Sharing**

There are many upcoming events. Please send Julie flyers about each of the upcoming events and she will post it on the KPFP website.

**Meeting adjourned:** 2:58 pm

**Next Meeting:** Thursday, March 19, 2015, 1:00 – 3:00 pm, Behavioral Health, Hope Room
