

The Wellness Bridge Project  
Meeting Notes  
July 12, 2016

- Update on governance structure and financial support. Introduction of Ed Ammon, Executive Director of Development, Adventist Health-Central Valley Network - Adventist Health has agreed to work with the Wellness Project allowing us to come under their 501C3 and provide support to the coalition with a grant writer for the project.
- Agency Services Matrix - The due date was extended to July 29th due to the low number of responses. United Way, Spiritual Committee and KPFP will contact service providers via phone to compile information and forward it to Rebecca Goldstein.
