

SAFE KIDS KINGS COUNTY

MEETING NOTES

July 20, 2016

- Darcy highlighted the focus of this group is to improve childhood safety in Central California. Our mission is to play a major role in the reduction of death and unintentional injuries to children primarily ages 14 and under through comprehensive awareness, media, and educational campaigns with interactive safety demonstrations.
- Kristina Pasma, Coalition Coordinator from Safe Kids Central California, (SKCC) spoke to our group about how SKCC is structured and offered advice and assistance to Kings County to get us up & running.
- Our group decided that we would start off with a few focus areas and expand on that after they are up and running. The areas chosen were water safety, motor vehicle safety, burn prevention, and poisoning.
- This coalition will meet the 3rd Wednesday of each month with the next meeting to be held on August 17 at Public Health in the Annex.
