

NOTES

Breathe Kings County

January 9, 2020 10:00am

Adventist Health Support Services Experience Design Conference Room - 450 N. Greenfield Ave., Hanford, CA 93230

- ❖ Welcome and Introductions

- ❖ Review new Mission, Vision
 - The group decided at the strategic planning in October to include other issues such as Valley Fever, COPD, Allergies, Pulmonary Fibrosis and Asthma.
 - The group will focus on developing educational resources using videos and handouts.

- ❖ 2020 Focus
 - Discuss new name
 - Yanni shared that there are other active coalitions/organizations in California that use 'Breathe' in their name and that if we want to keep it we may need to contact them in order to do so. The group decided to choose another name. They will send their suggestions to Melissa or Yanni by Wednesday, Jan. 15th. We will then send the list to the coalition by January 17th to be voted on. We would like to have the name chosen before the February meeting.
 - Lois suggested naming the group 'Breathe Easy Kings County'
 - Discuss working with other active asthma coalitions in the Valley
 - Yanni shared that he would like to see this group partner with other active coalitions such as Kern, Merced and Stanislaus counties in order to share resources.

- Cristhian would like to see this group partner with the Kings County Tobacco Coalition to provide trainings for health professionals.

❖ Roundtable

- Kings County Tobacco Coalition meets Thursday, January 23rd from 10-11:30am at Kings County Ag Department
- KPFP monthly meeting Thursday, January 16th from 1-3pm at Koinonia Church
- CCAC is now working with their AIM program in Kettleman City. Send patient referrals to Yanni.

❖ Next Meeting February 13, 2020
