

# KINGS PARTNERSHIP

2021-22 YEAR IN REVIEW

It was a year of new beginnings for Kings Partnership! From a new name, to a new strategic plan, and now ending with a new Executive Director! KPFP is on the front lines of creating an environment of wellness focused on bringing Kings County together around health, family, education, and financial stability. Always looking toward the future and the changes ahead, KPFP has worked to build a firm foundation for the organization in order to ensure our vision of "Building a stronger Kings County · Where everyone has the opportunity to thrive!" is more possible than ever.

# What We Are Doing

## COMMUNITY PROJECTS

### COMMUNITY HEALTH NEEDS ASSESSMENT (CHNA)

KPFP assisted the Hospital Council in gathering information for the 2021 CHNA. KPFP facilitated 5 focus groups and 5 key informant interviews to assist in learning more from service providers in the community about the challenges, barriers and concerns they have regarding health in the county.

### MATERNAL WELLNESS COALITION

The California Health Collaborative's Maternal Wellness Coalition is partnering with Kings Partnership in facilitating monthly meetings. With KPFP's support, the coalition will focus on expanding the reach and network of maternal health in the area.

### SHELTER REPLACEMENT COMMUNITY ENGAGEMENT COMMITTEE

Kings Partnership has agreed to assist Kings County Human Services Agency in actively working on promoting Community Engagement projects for Project Roomkey Residents with the ultimate goal of facilitating a positive community perspective on homelessness issues in Kings County.

#### Substance Use Prevention (SUP):

Conducted a survey among youth in Corcoran and developed a training for parents.

#### The Mental Health Taskforce:

Hosted a Suicide Prevention panel and developed a training and campaign focused on mental health.

#### Healthy Eating/Active Living (HEAL):

Developed a White Paper for School Wellness Policies and hosted an 'Everyday Wellness' panel.

#### KCWA:

Assisted with planning the events for Victim Right's Week including by facilitating the screening of "California's Forgotten Children".
