- Water Safety – Sgt. Lusk, Kings County Sheriff's Department
 - Sgt. Lusk shared the video, Cold Water Bootcamp, to show how our bodies are affected in waters below 68 degrees. We learned many tips including the following:
 - ▲ Always wear a life vest
 - ▲ Don't panic, control mindset
 - ▲ Uncontrolled breathing causes breathing to stop
 - ▲ It takes 5 minutes or more to drown
 - ▲ Most local incidents are recoveries
- Safe Kids Vacancies – *There are currently 3 openings for Vice-President on Executive Council, Fire/Burn/Scald Committee Chairperson, Water Safety Chairperson. Esmeralda asked members to email their nominations to Araceli to be voted on at the June meeting.*

- Member Announcements
 - Kids Plate Grant – March 2018 thru February 2019 – Funds have not been received from the state yet. These funds will provide car seats, bike helmets, and life jackets.
 - Adventist Health Car Seat Event being scheduled for September. Contracts are currently being signed. This will provide more events over the next 2 years.
 - CHP working to build rapport with and provide education to the community of Santa Rosa Rancheria through the car seat event on June 2nd.
