- ❖ Looking Forward: How can this workgroup provide education to adults?
 - Senior Citizens – rest homes
 - Parenting Classes – Aria to hold evening classes in Avenal in July – ‘How to Talk to Your Kids About Sex’
 - Maricela to get Kings County STD statistics to review at the next meeting. She will also ask if she can share pregnancy statistics (pregnancy and births) of ages 14-17
 - Upcoming Seniors Health Fair – Maricela to get the information
 - KTRL provides education to churches and youth groups
 - Partner with other groups/organizations (e.g. health fairs) Monica stated that they will be at Kids Day on April 28th
 - Parent-Teacher Association Meetings
 - The goal is to enhance the work already being done by each organization in this group.
 - CHC would like to provide more parent education
 - In the future, Aria will have more staff geared toward community engagement
- ❖ Julie asked members to bring their organizations information to the next meeting - data, experience & effectiveness, who is their audience. Julie will send a doodle poll to schedule a longer meeting toward the end of April.
